Moose Lodge Celebrates 32nd Anniversary Here

The Loyal Order of Moose, the city's oldest family fraternity, and one of Southern California's oldest lodges, will be celebrating the 32nd anniversary of its founding this year at the Torrance lodge hall, 1744 Carson St., J. A. Evans, secretary, announced this week.

Under the leadership of the present governor, Dan Desmond, the Torrance lodge has grown in membership, added new club facilities and kitchen equipment to the lodge home, received several state and national awards for its civic and public relations activities, and accentuated a family service program during the past year.

A one-and-one-quarter million member organization, the Loyal Order of Moose has a world focal point of inspiration and in-

centive—Mooseheart, Ill. Men of sound minds and great vision planned the beautiful city of Mooseheart, not for themselves or their own children, but for the children of others less fortunate—for children who had lost one or both parents.

Past governors of the Torrance lodge include A. H. Bartlett, city clerk; Jake Lepkin, pioneer Torrance businessman; Tom Wilkes, who held the office for six terms; Joseph Platt, a past vice president of the California Moose Association; and Dan Desmond now serving his third term.

William Olson is the present junior governor of the Torrance lodge. Others officers are Dave Harbison, prelate; Fred Lydy, treasurer; Stanley Helman, past governor; Gordon Jones, sergeant-at-arms; Burl C. Beddo, club steward; George Clay, ways and means chairman; and Joseph Platt, public relations chairman.

The Torrance Moose meet every Monday at 8 p.m. in the Carson street hall.

Appliance Dealers To Attend Meeting

A nation-wide program urging the public to "Live Better—Electrically" will be outlined by Southern California Edison company district manager Lee Blanchard at a meeting of electrical appliance dealer in this area on September 13, 1956.

Newspaper advertising will be the backbone of Edison's participation in the program, according to Blanchard, with ads running regularly in 187 daily and weekly newspapers in Edison's service territory every month.
